

3 God Is Real

Objective: to provide six reasons to believe in God and marvel at that God's attributes.

Name: _____

Date: February 19, 2019

1 The Beginning of the Universe

1. everything that has a beginning has cause of its beginning
2. the universe has a beginning
3. therefore, the universe has an external cause of its beginning

5 Miracles

1. miracles are events in which the laws of nature are interrupted by an agent outside of the natural realm
2. documented miracles have happened
3. therefore, a miracle causer exists

2 Fine-Tuning for Life

1. our universe is finely-tuned for the existence of complex life
2. fine-tuning is not the result of physical laws
3. therefore, a super-natural fine-tuner exists

6 Personal Experience

1. I've experienced God
2. therefore, God exists

3 DNA Code

1. all languages come from a mind not natural processes
2. DNA is a language
3. all biological life requires DNA to exist
4. therefore, a non-biological DNA designer exists

Notes:

4 Moral Absolutes

1. moral absolutes exist (i.e. torturing children for the fun of it is always wrong)
2. nature, society, and individuals do not supply moral absolutes
3. therefore, a supernatural source for moral absolutes exists
